

Schenck Foods is pleased to announce some exciting additions to our value added services that you've come to expect!

We have a great resource called **Great Menus Start Here!** It provides you with easy access to Consumer Insights, Industry News, Rebates, Recipes and a Food Cost Calculator.

Great Menus Start Here!™

Home PICs Operator's Edge MenuManagement

Operator's Edge:

Informative articles on menu and consumer trends, revenue-generating ideas and tips to drive traffic to your establishment. Intended to help you grow and make more money.

Promotions, Incentives and Coupons:

Puts all manufacturer coupons at your fingertips. All in one place, with the ability to share with one click.

Menu Management:

Includes a large collection of on-trend recipes. Import recipe information into the food cost calculator to help manage food costs and generate menu ideas.

To get started, visit the below webpage to create a user account. Registration is simple!
